Attorneys for Plaintiff

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEVADA**

ALLSTATE INSURANCE COMPANY, an
Illinois Insurance Company,

Plaintiff,

- vs. -

KIA MOTORS AMERICA, INC., a California
corporation, and KIA MOTORS
CORPORATION, a foreign corporation,

Defendants.

Case No.

**COMPLAINT FOR FEDERAL
TRADEMARK INFRINGEMENT;
FEDERAL FALSE DESIGNATION OF
ORIGIN AND UNFAIR
COMPETITION; STATE DECEPTIVE
TRADE PRACTICES; AND COMMON
LAW TRADEMARK INFRINGEMENT**

Jury Trial Demanded

Plaintiff Allstate Insurance Company (“Allstate”) brings this action for trademark infringement against Kia Motors America, Inc. (“Kia Motors America”) and Kia Motors Corporation (together, “Defendants”) and alleges as follows:

NATURE OF THE ACTION

1. Despite knowledge of Allstate’s federally-registered DRIVEWISE® trademark, which Allstate uses in connection with its telematics devices and related program that monitors driving behavior and provides rewards for safe driving to auto insurance customers, Defendants recently announced their new “Drive Wise” sub-brand of automobiles and related features, which will, according

1 to Defendants, include intelligent safety technology. Kia Motors Corporation also recently applied to
2 the United States Patent and Trademark Office (“USPTO”) to register “Drive Wise” in stylized letters as
3 a design mark for use in connection with safety devices and systems for automobiles. Allstate
4 accordingly seeks an order from this Court that Defendants: (1) be enjoined from further use of “Drive
5 Wise” or other infringement of Allstate’s DRIVEWISE® Mark; (2) disgorge all profits gained from
6 their use of “Drive Wise”; (3) terminate their trademark application(s) for any and all marks that
7 include “Drive Wise”; and (4) pay Allstate treble damages and attorneys’ fees.

8 **JURISDICTION AND VENUE**

9 2. This Court has subject matter jurisdiction under the Lanham Act, 15 U.S.C. § 1121 and
10 28 U.S.C. §§ 1331 and 1338(a) because this action arises, in part, under the Lanham Act, 15 U.S.C. §
11 1051 *et seq.* This Court has supplemental jurisdiction over Allstate’s state law claims under 28 U.S.C.
12 §§ 1338(b) and 1367.

13 3. This Court has personal jurisdiction over Defendants because among other reasons, upon
14 information and belief, Defendants conduct or have conducted substantial business and promoted their
15 “Drive Wise”-branded products in the state of Nevada and this District, have purposefully availed
16 themselves of the privilege of conducting business in Nevada, and have harmed and continue to harm
17 Allstate in this District by using Allstate’s registered DRIVEWISE® trademark.

18 4. Venue is proper under 28 U.S.C. § 1391 because a substantial part of the events or
19 omissions giving rise to this action occurred in this District, in Clark County, Nevada. Venue lies in the
20 Southern Division of this Court.

21 **THE PARTIES**

22 5. Plaintiff Allstate is an insurance company organized and existing under the laws of the
23 state of Illinois, with its principal place of business in Northbrook, Illinois.

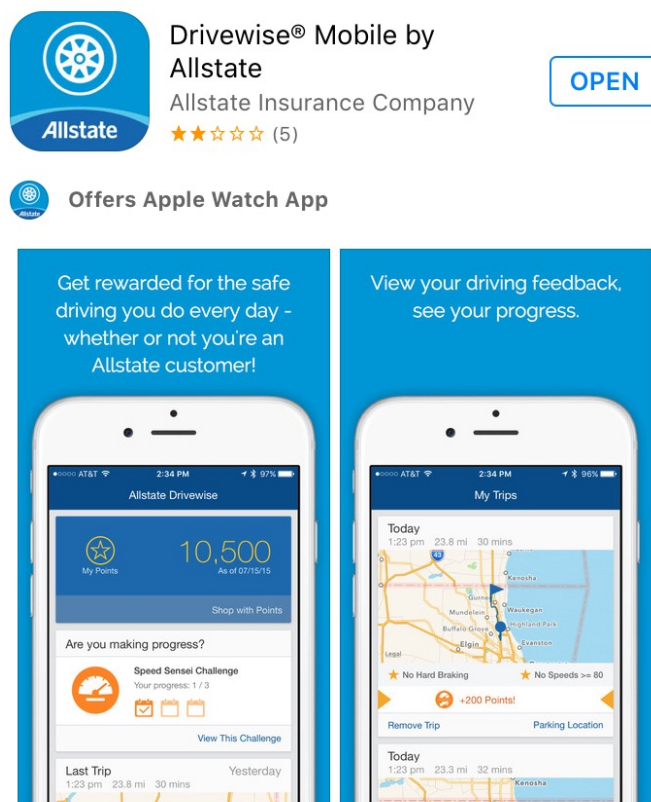

24 6. Defendant Kia Motors America is a corporation organized and existing under the laws of the
25 state of California, with its principal place of business at 111 Peters Canyons Road, Irvine, CA 92606.
26 Defendant Kia Motors America is a subsidiary of Defendant Kia Motors Corporation. Upon
27 information and belief, Kia Motors America is the sole authorized distributor in the United States of
28 Kia-branded cars to a network of Kia dealers throughout the United States.

Allstate's DRIVEWISE® Program and Trademark

9. In 2010, Allstate launched a safe driving program under the DRIVEWISE® Mark. The DRIVEWISE® user-based insurance program is designed to monitor and improve users' driving behavior and reward customers for safe driving. Using telematics technology, the DRIVEWISE® program measures attributes such as mileage, braking, speed, and time of day when a customer is driving. DRIVEWISE® customers can access the program either by using a telematics device that connects to the vehicle's computer via the onboard diagnostics port and transmits the data regarding driving behaviors via a secure wireless transmission or through a software application (DRIVEWISE® Mobile) designed for use with smart phones. Both the telematics device and DRIVEWISE® Mobile prominently feature the DRIVEWISE® Mark, as shown below:

DRIVEWISE® Telematics Device that Connects to Vehicle's Computer

DRIVEWISE® Mobile Application as Shown in the App Store

DRIVEWISE® Mobile Application Open Page

10. As part of Allstate's DRIVEWISE® program, drivers can earn reward points or discounts from Allstate or its affiliates for safe driving behavior based on information recorded by and received from the driver's DRIVEWISE® telematics device or DRIVEWISE® Mobile. Allstate owns all rights in the federally-registered trademark DRIVEWISE® in its International Classes 9 and 36. Allstate filed a federal trademark application for the DRIVEWISE® mark on May 26, 2010, and the USPTO issued

the registration on April 12, 2011 (Registration No. 3,946,209). The registration became incontestable on April 14, 2016. A true and correct copy of the federal registration certificate is attached hereto as Exhibit A.

11. In addition, Allstate has the following pending applications to register DRIVEWISE® (either as a word or design mark) with the following U.S. Application Serial Numbers: 85/732482; 87/010,899; 87/010,900; 87/014257; 87/014,266. The applications for these pending DRIVEWISE® marks are attached hereto as Exhibit B.

12. Allstate has also established common law trademark rights in the DRIVEWISE mark. All of Allstate's trademark rights in marks that consist of or incorporate the mark DRIVEWISE are referred to herein as the "DRIVEWISE® Mark."

13. Allstate has invested substantial effort and expense, including spending many millions of dollars on advertising and promoting goods and services under the DRIVEWISE® Mark. These promotional efforts include national television advertising, online advertising via multiple websites and YouTube, and print materials provided to customers. Allstate's promotional materials for its DRIVEWISE® goods and services feature the mark, as shown in the examples below and in Exhibit C:

14. Allstate has invested significant resources to expand the goods and services associated with Allstate’s DRIVEWISE® Mark and plans to continue to do so. These goods and services include (without limitation) mobile applications like DRIVEWISE® Mobile, which Allstate has already released (as described above), as well as additional functions and features for its Mobile App and related goods and services that Allstate intends to launch, *inter alia*, software for delivering alerts and other information to drivers based on driving history, driver behavior, driving events, vehicle volume, speed, location, time, weather, auto maintenance needs and vendors, fuel prices and vendors, real-time driving navigation advice and route recommendations, and other data that affects driving and traffic, along with other complementary goods and services aimed at monitoring and improving driving behavior and increasing safety through the use of telematics and other technology.

15. Allstate’s efforts have been fruitful. Allstate’s DRIVEWISE® mark is now used extensively throughout the United States, with more than one million people using goods and services associated with the DRIVEWISE® Mark. DRIVEWISE®-branded products and services have also received many awards, such as the Loyalty 360 Customer Insights Gold Award, the Loyalty 360 Technology & Trends

1 Silver Award, and the Loyalty 360 Degree Bronze Award. Additionally, the Allstate DRIVEWISE®
2 program was one of 25 recipients of the 2015 Digital Edge Award, and was one of the top ten 2015
3 InformationWeek Elite 100 winners. As a result of Allstate's extensive use of its DRIVEWISE® Mark
4 and related marketing efforts and expenditures (along with the excellence of Allstate's service and
5 products), the DRIVEWISE® Mark has achieved a valuable reputation and a high degree of goodwill.

6 16. Allstate's DRIVEWISE®-branded products and services have been the subject of attention
7 from such media outlets as *The Wall Street Journal*, *New York Times*, *Bloomberg Business* and *Boston*
8 *Globe*. Consumers associate the DRIVEWISE® Mark with Allstate and favorably recognize that mark
9 as an indicator of origin for Allstate's goods and services.

10 17. Allstate's trademark registration provides constructive nationwide notice of Allstate's
11 exclusive ownership of its DRIVEWISE® mark.

12 **Defendants' Infringing Use of Allstate's DRIVEWISE Mark**

13 18. Allstate is informed and believes, and on that basis alleges, that despite having notice of
14 Allstate's prior rights in the DRIVEWISE® Mark and Allstate's use of the mark in connection with its
15 telematics and reward programs for safe drivers (and related technology), Defendants adopted and
16 commenced use of an aurally identical, confusingly similar "Drive Wise" as the brand name for its new
17 automobile technology, including "intelligent safety" features for cars, which Defendants stated in a
18 press release are aimed at "improve[ing] safety for all road users" and "helping to eliminate potential
19 dangers." A copy of Defendants' press release announcing its new "Drive Wise" brand is attached as
20 Exhibit D. According to that same press release, Defendants already have tested "Drive Wise"
21 intelligent safety technologies on the road, including in Nevada, and Defendants plan to invest two
22 billion dollars by 2018 to "fast track" the development of their "Drive Wise"-branded safety features
23 and technology. Defendants' conduct poses a significant threat to the goodwill and value Allstate has
24 built in its DRIVEWISE® Mark.

25 19. Allstate is informed and believes, and on that basis alleges, that on January 6, 2016, Kia
26 demonstrated its "Drive Wise"-branded intelligent safety driving features at the Consumer Electronics
27 Show ("CES") in Las Vegas, Clark County, Nevada. A still image from a video taken by Kelly Blue
28

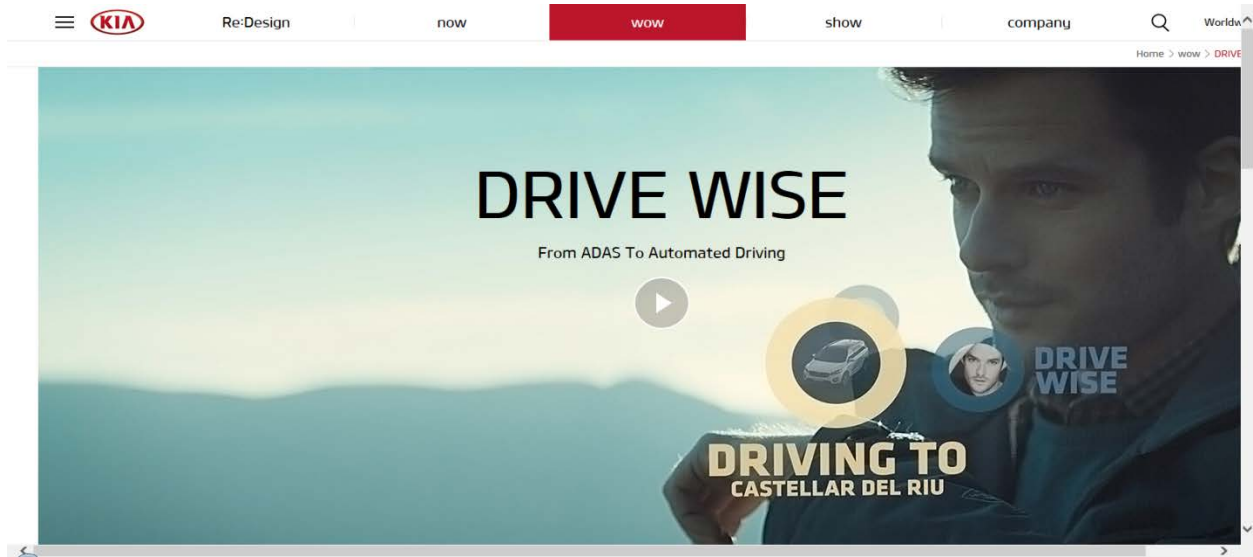

Book and posted on YouTube from the CES show is below, demonstrating Defendant's infringing use of Allstate's DRIVEWISE® Mark:

Screenshot, Kelly Blue Book, Kia Drive Wise Overview - CES 2016 (Jan. 7, 2016), <https://www.youtube.com/watch?v=81eyHhigy4c> (last visited June 1, 2016)

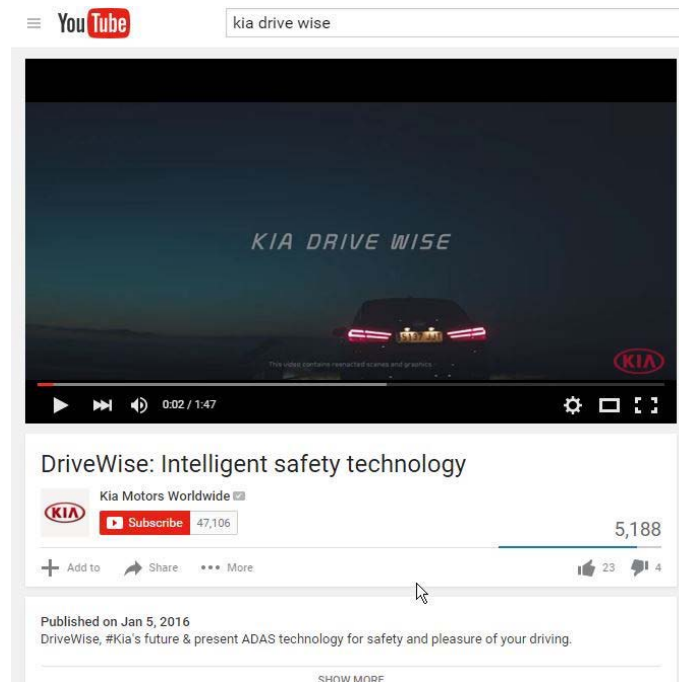

20. Allstate is informed and believes, and on that basis alleges, that CES is the world's largest tradeshow for consumer technology and America's largest annual tradeshow of any kind. CES garners significant news and media attention. According to the Consumer Technology Association, the organization responsible for organizing and promoting CES, there were over 170,000 attendees at CES 2016.

21. Since their CES presentation and related press release, Defendants have continued to use Allstate's DRIVEWISE® Mark without authorization. For example, Defendants have launched a webpage dedicated to promoting their "Drive Wise" brand, which is shown below.

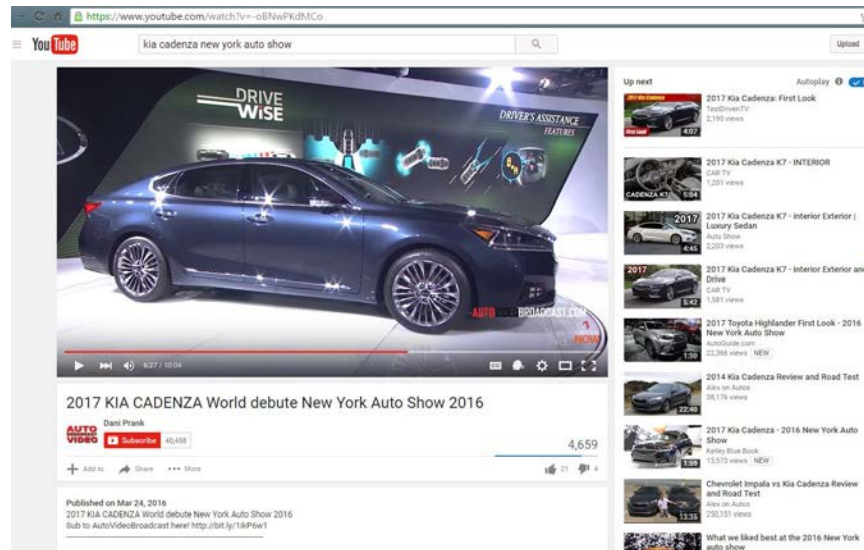

Drive Wise, Kia Motors Corp., <http://pr.kia.com/en/wow/drive-wise/main.do> (last visited June 1, 2016)

22. Defendants also published a YouTube video, titled “DriveWise: Intelligent Safety Technology,” to promote their “Drive Wise” brand, which prominently features “Drive Wise,” as shown below.

Screenshot, Kia Motors Worldwide, DriveWise: Intelligent safety technology (Jan 5, 2016), <https://www.youtube.com/watch?v=w6fX2fCK264> (last visited June 1, 2016)

23. Defendants have also continued to market new vehicles under Allstate's DRIVEWISE® Mark without authorization. For example, at the New York International Auto Show, Defendants marketed the new Kia Cadenza as the first car to be sold under the "Drive Wise" brand.

Screenshot, AUTO Broadcast Video, 2017 KIA CADENZA World debut [sic] New York Auto Show 2017 (March 24, 2016), <https://www.youtube.com/watch?v=oBNwPKdMCo> (last visited June 1, 2016)

24. On January 12, 2016, Kia Motors Corporation filed an application to register "Drive Wise" as a stylized design mark (as depicted below) in connection with, *inter alia*, "drive assist and safety device and system, namely . . . backward collision warning system, lane departure warning system, lane keep assist system, blind spot detection system". A copy of Kia Motor Corporation's trademark application (Serial No. 86/873,294) is attached as Exhibit E.

1 25. Allstate has never given Defendants, or any company or person affiliated with Defendants,
2 permission to use Allstate's DRIVEWISE® trademark.

3 **Defendants' Infringement Has Harmed And Will Continue To Harm Allstate**

4 26. Out of an entire universe of marks Defendants could have chosen, they chose to use "Drive
5 Wise," which is identical in sound and connotation and is very likely to be confused with Allstate's
6 DRIVEWISE® Mark. The result is that consumers likely will mistakenly believe that Defendants'
7 goods and services are sponsored, authorized, or produced by Allstate, or are under license from
8 Allstate, or vice versa, or that Defendants are somehow associated with Allstate.

9 27. Defendants' conduct is continuing and is likely to continue (indeed, according to the
10 Defendants' own press release, the magnitude of their infringement will increase exponentially in the
11 coming months and years if not enjoined), constituting an ongoing and growing threat to Allstate and the
12 public. Unless Defendants are enjoined from continuing to use Allstate's DRIVEWISE® Mark—and
13 any other confusingly similar variations of Allstate's DRIVEWISE® Mark—to promote goods and
14 services that are overlapping and highly related to Allstate's goods and services, Defendants' infringing
15 conduct will destroy the value of the mark that Allstate has spent years developing and significant
16 efforts in promoting. This has caused, and will continue to result in, irreparable injury to Allstate,
17 diminution of the goodwill in Allstate's DRIVEWISE® Mark, consumer confusion, and harm to the
18 public.

19 28. Allstate is informed and believes, and on that basis alleges, that Defendants offer and/or
20 intend to offer their "Drive Wise"-branded auto safety technology in the same channels of commerce
21 and to the same class of consumers as are Allstate's DRIVEWISE® products and services. Further,
22 Allstate's goods and services are promoted and sold by Allstate agents located inside thirty one car
23 dealerships across the country that sell Defendants' vehicles. The parties' goods and services are also
24 marketed through overlapping channels, namely, the companies' channels on YouTube, tradeshow, and
25 television advertisements, and Defendants intend to introduce additional advertisements for products
26 marketed under "Drive Wise" to the market.

37. Defendants' use of Allstate's DRIVEWISE® Mark constitutes trademark infringement in violation of 15 U.S.C. § 1114.

38. As a result of Defendants' trademark infringement, Allstate has suffered (and will continue to suffer) damages in an amount to be determined at trial.

39. Defendants' actions described above are deliberate, willful, fraudulent and without any extenuating circumstances, and constitute a knowing violation of Allstate's rights. Allstate is entitled to recover its actual damages, attorneys' fees, and costs incurred in this action, as this is an "exceptional case" pursuant to 15 U.S.C. § 1117(a).

40. Allstate has also suffered irreparable injury to its business as a result of Defendants' aforementioned acts of infringement, and, unless Defendants' infringement is enjoined by the Court, Allstate will continue to suffer irreparable harm. There is no adequate remedy at law for the harm caused by Defendants' infringement.

COUNT II

Federal Trademark Infringement, False Designation Of Origin And Unfair Competition —

Section 43 Of The Lanham Act, 15 U.S.C. § 1125(A)(1)(A)

41. Allstate incorporates by reference and repeats the allegations contained in Paragraphs 1 through 40 of the Complaint.

42. Allstate's DRIVEWISE® Mark is inherently distinctive of Allstate's goods and services, and additionally, as a result of Allstate's marketing, enjoys significant goodwill and secondary meaning in the marketplace.

43. Defendants' interstate use of Allstate's DRIVEWISE® Mark in advertising and promotional materials is a false designation of origin, false description, or a false representation, that wrongfully and falsely designates Defendants' products and services as originating from, or being connected with, Allstate. Defendants' use is likely to deceive consumers into believing that Defendants' goods and/or services are those of, approved by, or associated with, Allstate, and as a consequence, Defendants' use of "Drive Wise" is likely to divert consumers away from Allstate's goods and services.

44. Defendants' actions as described above and its infringing use of Allstate's DRIVEWISE® Mark to promote its goods and services to the same audience as that of Allstate's goods and services

1 constitutes a false designation of origin and unfair competition in violation of Section 43 of the Lanham
2 Act, 15 U.S.C. § 1125.

3 45. Defendants' adoption and use of a mark so similar to that of Allstate's DRIVEWISE® Mark
4 for overlapping, complementary, and/or highly related goods and services has caused, and will continue
5 to cause, irreparable injury to the value of Allstate's business, and the goodwill in and reputation of
6 Allstate and its DRIVEWISE® Mark. Allstate will continue to suffer irreparable injury unless
7 Defendants' misconduct is enjoined.

8 46. As a result of this false designation of origin, Allstate has suffered damages in an amount to
9 be determined at trial.

10 47. Defendants' actions described above are deliberate, willful, fraudulent and without any
11 extenuating circumstances, and constitute a knowing violation of Allstate's rights. Allstate is entitled to
12 recover its actual damages, attorneys' fees, and costs incurred in this action, as this is an "exceptional
13 case" pursuant to 15 U.S.C. § 1117(a).

14 **Count III**

15 **Deceptive Trade Practices Under N.R.S. § 598.0915**

16 48. Allstate incorporates by reference and repeats the allegations contained in Paragraphs 1
17 through 47 of the Complaint.

18 49. In the course of conducting their business, Defendants knowingly made false representations
19 as to affiliation, connection and/or association with Allstate by using Allstate's DRIVEWISE® Mark,
20 and otherwise engaging in deceptive trade practices.

21 50. As the direct and proximate result of Defendants' conduct, Allstate has suffered, and will
22 continue to suffer, monetary damages and irreparable injury to its business, reputation, and goodwill.

23 **Count IV**

24 **Common Law Trademark Infringement and Unfair Competition**

25 51. Allstate incorporates by reference and repeats the allegations contained in Paragraphs 1
26 through 50 of the Complaint.

27 52. This is a claim for trademark infringement and unfair competition arising under the common
28 law of the State of Nevada.

53. By virtue of having used and continuing to use the DRIVEWISE® Mark in commerce, Allstate has acquired common law trademark rights in the DRIVEWISE® Mark.

54. Defendants' intentional use of a mark identical and/or confusingly similar to the DRIVEWISE® Mark infringes Allstate's common law trademark rights in the DRIVEWISE® Mark and is likely to cause confusion, mistake, or deception among consumers, who will believe that Defendants' goods and services originate from, or are affiliated with, or are endorsed by Allstate, when, in fact, they are not.

55. By virtue of acts complained of herein, Defendants have intentionally caused a likelihood of confusion among the public and have unfairly competed with Allstate in violation of the common law of the State of Nevada.

56. Defendants' aforementioned acts have been deceptive and have injured Allstate and damaged Allstate in an amount to be determined at trial.

57. As a direct and proximate result of Defendants' common law trademark infringement and unfair competition, Allstate has suffered, and unless enjoined by this Court will continue to suffer, monetary loss and irreparable injury and other damage to Allstate's business, reputation and goodwill in the DRIVEWISE® Mark for which Allstate has no adequate remedy at law.

58. As a direct and proximate result of Defendants' common law trademark infringement and unfair competition, Allstate has been forced to retain counsel to prosecute this claim and is entitled to recover its attorneys' fees and costs incurred herein.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff Allstate respectfully requests that the Court enter an Order:

1. Enjoining Defendants as well as their subsidiaries, partners, officers, agents, servants, employees, attorneys, and all those acting in concert with them, from (1) using Allstate's DRIVEWISE® Mark or any colorable imitation (including "Drive Wise" whether in stylized/logo form or not); and (2) doing any act or thing likely to confuse or deceive consumers into believing that there is some connection between Allstate and Defendants;

2. Ordering Defendants, pursuant to 15 U.S.C. § 1116, to file with this Court and serve on Allstate within thirty (30) days after entry of the injunction, a report in writing under oath setting forth in

1 detail the manner and form in which it has complied with the terms of any injunction entered by the
2 Court;

3 3. Ordering Defendants to recall and/or destroy all goods, products, promotional materials or
4 advertisements bearing Allstate's DRIVEWISE® Mark or any similar variation thereof, which have
5 been provided by Defendants or under their authority, to any customer;

6 4. Requiring the Director of the USPTO, pursuant to 15 U.S.C. 1119, to deny registration of Kia
7 Motor Corporation's pending application for the stylized "Drive Wise" trademark, Serial Number
8 86,873,294;

9 5. Awarding Allstate (1) disgorgement of Defendants' profits and advantages gained from their
10 use of the brand name "Drive Wise"; (2) all damages sustained by Allstate in an amount to be proven at
11 trial; (3) treble damages; (4) the costs of this action; (5) reasonable attorneys' fees; and (6) pre- and post-
12 judgment interest as allowed by law;

13 6. Entering a judgment awarding Allstate damages, reasonable attorneys' fees, and injunctive
14 relief pursuant to Nevada Revised Statute § 598.0915;

15 7. Entering a judgment in connection with the asserted common law claims and/or otherwise
16 permitted by law, including, without limitation, injunctive relief and an award of damages in favor of
17 Allstate in an amount to be determined; and

18 8. Granting Allstate such other and further relief as this Court deems just and equitable.
